

WATER OUTLOOK The water outlook for this summer is mixed. The snowpack is down this year particularly in our water source area. However, at this time our aquifer source remains in good shape. The District will begin the summer season utilizing its traditional voluntary water restricts and will make adjustments if necessary based on usage and precipitation. Dry summer weather can quickly change the water outlook. Residents are encouraged to practice water conservation for water usage both inside and outside of your home.

VOLUNTARY WATER RESTRICTIONS

The voluntary water restrictions for the East Dillon Water District begin May 1st. The restrictions are:

- ❑ Outside usage is not allowed on Mondays and Thursdays.
- ❑ Outside usage is not allowed between the hours of 10 AM and 6 PM.
- ❑ Hand watering, using either a watering can or a hose with a shut off nozzle is **ALLOWED** at anytime (no restrictions as to days or time).
- ❑ Outside usage using drip irrigation systems is not restricted.

The voluntary restrictions are for outside usage and are in effect until October 1st. The District monitors water levels in our aquifer and customer usage patterns. Should weather patterns, usage levels or water source problems warrant, the District can impose mandatory water restrictions.

The next Board of Directors meeting is Monday, June 7th in the East Dillon pump station on Grey Fox Lane. For additional information regarding the meeting you can call (970) 668-5655 Ext 2 or email admin@eastdillon.com.
