

The next Board of Directors meeting is Monday, September 11th at 12:30 PM in the East Dillon Office at 58 Grey Fox Lane. For additional information regarding the meeting you can call (970) 468-6256 or email admin@eastdillon.com.

Water Bill Payment Options

- A **check** made out to East Dillon Water District and mailed to PO Box 4526, Dillon, CO 80435. **PLEASE REMEMBER TO PUT YOUR ACCOUNT NUMBER ON YOUR CHECK!**
- Sign up for **ACH** (direct payment). The billing amount will be deducted from your bank account approximately 20 days following the billing date. The sign up form is available at www.eastdillon.com.
- **Credit Card** payments. Credit card payments can be made using the State of Colorado payment system. Access the online payment system through www.eastdillon.com. The State system has a nominal fee for a credit card payment. The fee amount will be indicated to you as you are making the payment prior to the final payment authorization. You will need your account number, account name, property address and billing amount to process the credit card payment.
- **Electronic check** payments. You can initiate a direct payment from your checking account using the State of Colorado payment system. Access the online payment system through www.eastdillon.com. A choice between a credit card payment and a discounted payment from your bank account will be provided. The State fee is \$1. You will need your account number, account name, property address and billing amount to process the electronic check payment.
- Payments can be made at the Administration office located at 58 Grey Fox Lane in Summit Cove. Business hours are Tuesdays and Thursdays 2:00pm to 4:00pm and Wednesdays and Fridays 9:00am to 11:30am. **Cash** is accepted, but we are unable to make change.
- Payment initiated electronically with **your banking** online system. Payments you originate from your bank come to us by check and they are posted to your account as received through the US Mail. **PLEASE MAKE SURE YOUR BANK HAS THE PROPER ACCOUNT NUMBER ON THE CHECK OR IT MAY BE RETURNED!**

IRRIGATION USAGE

This billing for the period April 1st through June 30th includes irrigation usage for some customers. Historically, water usage for irrigation can be substantially higher than usage inside the home. Customers are reminded that because of the late and wet spring, the irrigation period was limited. The next billing, for the period July 1st through September 30th generally has a significantly longer irrigation period that could reflect on the amount billed for water. If you have any questions regarding the amount of water being used for irrigation during July and August you can contact the District at (970) 468-6256 or email admin@eastdillon.com. We can provide a report of daily usage to you via email.

Landscaping can have a beautiful summer appearance with sensible watering. Turf grass should not be watered daily as too much water encourages shallow roots. Please do not water in the middle of the day when heat and wind can evaporate the water being applied before it can be used by the plants. Unintentional high water usage can occur from leaks in irrigation systems.

VOLUNTARY WATER RESTRICTIONS

The snow pack from the winter has been beneficial to the available water supply. However, the District encourages all users to conserve water. The voluntary water restrictions for the East Dillon Water District are:

- ❑ Outside usage is not allowed on Mondays and Thursdays.
- ❑ Outside usage is not allowed between the hours of 10 AM and 6 PM.
- ❑ Hand watering, using either a watering can or a hose with a shut off nozzle is **ALLOWED** at any time (no restrictions as to days or time).
- ❑ Outside usage using drip irrigation systems is not restricted.

The voluntary restrictions are for outside usage and are in effect until October 1st. The District monitors water levels in our aquifer and customer usage patterns. Should weather patterns, usage levels or water source problems warrant, the District can impose mandatory water restrictions.

Water Treatment Plant Upgrades

The Colorado Department of Public Health and Environment has reclassified the District's source water as a result of changes in their source water classification policies. This change in classification requires additional treatment processes which the District is planning to install and implement in the winter of 2017-2018. For additional information on this project please call the District office at 970-468-6256 or email admin@eastdillon.com.
