2018 WATER RATES

The East Dillon Water District bills quarterly and in arrears. This billing is for the 1st quarter of 2018.

The 2018 base rate will increase from \$41 to \$46 per quarter effective with this billing. This increase is to help fund the water treatment plant upgrades required by the Colorado Department of Public Health and Environment. The water usage rates will remain the same as the 2017 water usage rates. The rates are based on covering operating costs and to allow sufficient reserves for major infrastructure repairs and replacement.

2018 Quarterly Water Rates

0-23,000 gallons	\$ 2.00

Over 50,000 gallons	\$11.20

The base rate in Summerwood above the booster pump station will increase from \$71 to \$76 per quarter.
